ARCHITECTURE
HOSPITALIERE
LE MAGAZINE DES ACTEURS DE L'HOPITAL DE DEMAIN

12:00 pm – 1:30 pm • Welcome lunch

SESSION 1

1:30 pm – 1:55 pm

Opening ceremony

David Entibi – General director of the Healthcare Architecture Days

Pierre Corriveau – President of the Quebec Order of Architects (OAQ)

Christine Mimeault – Deputy general director, CHU de Québec-Université Laval, co-chair of the JAS selection committee

2:00 pm – 2:20 pm

Perspective from a Network CEO – Issues, challenges, and opportunities for imagining the future of the hospital of tomorrow

Marc Bilodeau – CEO of CiSSS of Outaouais

2:25 pm – 2:45 pm

Quebec infrastructure corporation (SQI)

Caroline Bourgeois – CEO of the Quebec Infrastructure Corporation (SQI)

2:50 pm – 3:10 pm

Since 1907, the RAIC has been the voice of architecture and architects in Canada, advocating for excellence in the built environment to design sustainable, innovative, and inclusive spaces

Jonathan Bisson – President of the Royal Architectural Institute of Canada (RAIC)

3:15 pm – 3:35 pm

What does art do in hospitals? The role of contemporary art in healthcare facilities and how art transforms the hospital environment

Pierre-François Sempéré – Director of strategic development and policy, Culture Montreal

Tamar Tembeck – Art historian and curator

3:35 pm – 4:15 pm • Coffee break

SESSION 2

4:15 pm – 4:35 pm

Canada – The case for empathy-based design

Ian Sinclair – Principal, VP healthcare, national healthcare lead - Kasian Architecture and Interior Design

4:40 pm – 5:00 pm

USA – Reflections on the Making of an Architecture for Health

David J. Allison – President of the American College of Healthcare Architects, distinguished professor of architecture, and director of graduate studies in architecture + health (A+H) at Clemson University

5:05 pm – 5:25 pm

France – Dimensional benchmarks for healthcare and social-medical facilities in France: an ANAP tool

Géry Divry – Real estate expert, architect - National Performance Support Agency (ANAP)

Gwenaél Pillon – Real estate expert, engineer - National Performance Support Agency (ANAP)

5:30 pm – 6:30 pm

Round table: Adapting to climate change – what are the impacts on healthcare infrastructure design?

Moderator: Antoine Buisseret – Vice president of UAFS, associate architect at Lemay

Johanne Elsener – President, Quebec Association of Physicians for the Environment (AQME)

Steve Poulin – General director of technical expertise and sustainable development, SQI

Rita Mezei – Executive director, Canadian Centre for Healthcare Facilities (CCHF)

Céline Mertenat – Architect specializing in sustainable development and climate resilience, Provencher_Roy

Jérôme Ribesse – General director, Synergie Santé Environnement (SSE)

6:30 pm • JAS cocktail reception

SESSION 3: DESIGN AND NEW TRENDS (PART 1)

8:30 am – 8:50 am

Impact of personal and professional environment on health

Dr. Fabrice Brunet – CEO, Quartier de l'innovation en santé (QIS) Montreal, vice-rector, UQAM, associate in health sciences development

8:55 am – 9:15 am

A more hospitable architecture: lessons from two decades of healthcare practice

Benoit Laforest – VP, principal associate, architect, Provencher_Roy

Philippe Mizutani – Principal designer, associate, architect, Provencher_Roy

9:20 am – 9:40 am

A collaborative and integrated approach for successfully managing major healthcare projects

Karine Martin – Deputy DGA, business intelligence, CHU de Québec-Université Laval

Christine Mimeault – Deputy general director (DGA), CHU de Québec-Université Laval

9:45 am – 10:05 am

Symposium: optimizing the relocation of healthcare facilities – Strategies and challenges

Transitioning to a new hospital infrastructure is a critical step that requires careful planning to ensure continuity of care

Marie-Luc Jodoin – VP, transition and activation services, Health Care Relocations (HCR)

Imma Franco – Senior Project Consultant, Transition and Activation Services, Health Care Relocations (HCR)

10:05 am – 10:40 am • Coffee break

SESSION 4: PREFABRICATION AND ECO-CONSTRUCTION

10:40 am – 11:00 am

Symposium: Innovating for efficient and secure healthcare infrastructure

Innovative solutions to optimize medical infrastructures by integrating advanced technologies and modular designs adapted to care environments

Toufic Abiad – President and founder, SDI Canada

Anthony Saoud – Director of business intelligence, SDI Canada

11:05 am – 11:25 am

Increased use of prefabrication through collaborative practices: the example of the Labelle elderly care home

Steve Tremblay – Director of integrated practices, SQI

11:30 am – 12:30 pm

Round table: Post-occupancy evaluation of the integrated cancer center at CHU de Québec-Université Laval (CIC)

Moderator: Anne-Marie Blais – Associate architect, Groupe A

Christine Mimeault – Deputy general director (DGA), CHU de Québec-Université Laval

Carole Després – Ph.D., professor at the Laval University School of Architecture

Julie Boucher – Associate architect, Jodoin Lamarre Pratte Architects

Robert Topping – General director, SQI, NCH project

12:30 pm – 2:00 pm • Lunch

SESSION 5: OPTIMIZATION AND HOSPITAL LOGISTICS

2:00 pm – 2:20 pm

Industrializing healthcare to humanize care

Carole Bordes – Logistics director, CISSS de Chaudière-Appalaches

Victoria D'Anjou – Deputy to the DGA, CHU de Québec - Université Laval

2:25 pm – 2:45 pm

Enhanced Lean Design: the digital twin and AI serving the hospital of the future

Camilo Valderrama – CEO, GSS

Jacques Lavergne – Architect, Principal Project Manager AES Group

SESSION 6: HEALTHCARE FACILITIES AND TERRITORY

2:50 pm – 3:10 pm

Expansion and modernization of Verdun Hospital

Éliane Favreau – Senior advisor, CIUSS du Centre-Sud

Charles-Antoine Perreault – Associate architect, Archi-

3:15 pm – 3:35 pm

For a successful integration of art into healthcare architecture

Martine Gévry – Principal associate architect, Jodoin Lamarre Pratte Architects

Julie Boucher – Principal associate architect, Jodoin Lamarre Pratte Architects

Serge Murphy – Artist and specialist under the Quebec Ministry of Culture and Communications' art integration policy

3:35 pm – 4:05 pm • Coffee break

SESSION 7: DESIGN AND NEW TRENDS (PART 2)

4:05 pm – 4:25 pm

Reinventing hospital infrastructure in good health: challenges, opportunities, and obstacles to overcome

Anne-Marie Blais – Principal associate architect, Groupe A

Alexandre Laprise – Associate architect, Groupe A

Ariane Dupont – Associate Architect, DMG Architecture

4:30 pm – 4:50 pm

Homelessness, mental health, and addiction: how to design architecture that meets the needs of vulnerable communities

Antoine Buisseret – Associate architect, design director, Lemay

Émilie Fortier – Vice president, Mission Old Brewery

4:55 pm – 5:15 pm

Architecture and innovative technologies for IPC: towards biophilic and resilient healthcare spaces

Richard A. Fortin – Principal associate architect, Bisson Fortin

Ahmed Ryad Sbartai – BIM director, Bisson Fortin

5:20 pm – 5:40 pm

Family-child units: designing spaces adapted to their specific needs

Karine Boisvert – Principal associate architect, Yelle Maillé Architects

Maryse Barrette – Principal associate architect, Yelle Maillé Architect

5:45 pm

Closing ceremony
